

VIETNAM 2014 REPORT

Many have asked, “Aren’t you afraid when the communist spies come to your training sessions take notes and report back to their superiors what you are teaching?” The answer is, “NO”! Why? Because we are teaching the WORD of GOD! When the written, recorded word (Logos in Greek) becomes the convicting, living WORD (Rhema in Greek), lives are convicted, converted, and changed. Why aren’t we afraid? Because:

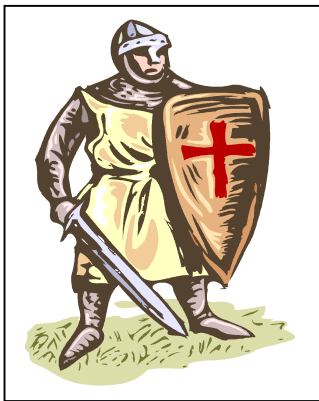

- The spies record God’s Word! * God’s Word is TRUTH (John 17:17) and the TRUTH (God’s WORD) shall set you free! (John 8:32)
- The spies read what they have recorded to their superiors and the GOSPEL (HIS WORD) is spread to more people.
- The WORD will accomplish God’s Mission. (Isa. 55:11) – Example; The main “Spy” that was sent to our meetings was a lady who was in her mid-fifties. She actually favored my daughter Ann. For four years she attended and recorded our training sessions for our Pastors and Leaders with the Vietnam Baptist Churches. Last year she came to me after the teachings, smiled, and hugged me. This was unusual for a “Spy” to act this way. I smiled and said, “I am going to adopt you as one of my daughters, I will see you next year.” She smiled and went back to her headquarters to report on our teachings. When I arrived in Vietnam in April of this year to conduct our training sessions, our “Spy” was not present! A different lady came to record our teachings. When I asked our Host, Sister Phuong about our Spy, the answer was, “She has retired, but She wants to meet with you.” We arranged a meeting for the following night with our Host and our Lady in my Hotel room. Our Host (Sister Phuong), the “Spy Lady”, her daughter and baby granddaughter enter my room. She hugged me and began to weep and talk. Our Host, Sister Phuong, interpreted, “She has become a Christian and wants you and your team to Pray for her and her granddaughter.” I began to weep and praise God for the Saving Power of HIS WORD. As we prayed for this family, God showed me TWO Things! – 1) Our Military went to war with swords and guns in the 60’s & 70’s, our military did not lose the war, they just were not allowed to win it.

Our Soldiers came home discouraged and disheartened. Little did our government realize that true Victory is won “not by might, nor by Power, but by God’s Spirit (the WORD) – (Zac. 4:6). 2) We are now going into Vietnam with a different weapon, “the WORD of GOD.” It is sharper than any two-edged sword. It is entering into the hearts of government convicting, converting, and changing lives. The Victory that the WORD brings is not for this period or the present government but for ETERNITY! Hallelujah! What a Savior!
